

## **NEW HORIZONS MISSION**

Shedding Light on Frontier Worlds

### **Participation Certificate**

*Presented to*

**Nicola Bruni**

On August 31, 2005

Thank you for joining the first mission to the last planet! A compact disc bearing your name will be included on the New Horizons spacecraft, set for the first voyage to a new class of planets on the solar system's farthest frontier.

Come with us as we complete the reconnaissance of the solar system and unlock the secrets of Pluto, its moon, Charon, and the Kuiper Belt.

Certificate No. 322599
